

1. Introduction

This document provides a structured overview of passenger ground operations at Delhi International Airport (DEL), New Delhi, India.

The purpose of this document is to explain airport procedures in a clear and simplified manner for informational use. This guide does not provide real-time operational services, booking functions, or flight modifications.

All procedures described comply with applicable civil aviation safety and regulatory standards.

2. Airport Overview

Airport Name: Delhi International Airport

City: New Delhi

Country: India

IATA Code: DEL

Delhi International Airport serves domestic and international passengers through multiple terminals and follows structured passenger movement systems to ensure safety, efficiency, and regulatory compliance.

Ground operations include:

- Terminal entry verification
 - Booking and ticketing services
 - Check-in process
 - Baggage handling
 - Security screening
 - Immigration (international flights)
 - Boarding procedures
 - Arrival and baggage claim
 - Customs clearance
 - Passenger support services
-

3. Terminal Entry Procedure

Passengers entering the departure terminal must:

- Present valid government-issued identification.
- Show valid flight booking confirmation if required.
- Cooperate with security personnel during entry verification.

Access to secure zones is restricted to authorized passengers only. Visitor access may be limited based on airport security policies.

4. Booking and Ticketing Services

Booking and ticketing assistance counters are generally located within the departure terminal area near airline check-in zones.

Services Provided:

- Ticket purchase assistance
- Booking modifications (subject to airline policy)
- Travel inquiry support
- Self-service kiosk facilities for boarding pass printing

Online booking and web check-in are encouraged to reduce waiting times.

Note: This system provides informational guidance only and does not process bookings or transactions.

5. Check-In Process

Check-in confirms passenger presence for a scheduled flight.

Available Methods:

- Online Check-in via airline website or mobile application
- Self-service kiosks at terminal
- Airline check-in counters

Standard Steps:

- Present booking reference (PNR) and valid ID.
- Receive boarding pass.
- Submit checked baggage for tagging and weighing.

Passengers are advised to:

- Arrive 2–3 hours before international departures.
- Arrive 1–2 hours before domestic departures.

Check-in counters close prior to scheduled departure.

6. Baggage Handling System

6.1 Checked Baggage:

- Weighed and tagged at check-in counter.
- Assigned barcode or RFID identification.
- Screened through automated security systems.
- Transferred via conveyor system to aircraft.

6.2 Cabin Baggage:

- Must meet airline size and weight limits.
- Liquids limited to 100ml containers.
- Prohibited items are not allowed.

6.3 Special Baggage:

- Sports equipment and oversized items require special handling.
- Fragile items should be declared during check-in.

Excess baggage may incur additional charges as per airline policy.

7. Security Screening Procedures

Security screening ensures passenger and aircraft safety.

Standard Screening Steps:

- Remove metal accessories such as belts and watches.
- Place electronic devices separately for X-ray scanning.
- Cabin baggage passes through X-ray scanner.
- Passenger walks through metal detector or body scanner.

Secondary Screening May Include:

- Manual baggage inspection.
- Explosive trace detection.
- Pat-down search if required.

Prohibited Items Include:

- Firearms and ammunition.
- Explosives and flammable materials.
- Sharp weapons.
- Hazardous chemicals.

Passengers must follow instructions from security officials at all times.

8. Immigration Process (International Flights)

Immigration applies to international passengers.

Departure Immigration:

- Passport verification.
- Visa validation.
- Exit record registration.

Arrival Immigration:

- Passport inspection.
- Biometric verification if required.
- Entry clearance stamp.

Passengers must ensure travel documents are valid and compliant with destination regulations.

9. Customs Clearance

Customs regulates goods entering or leaving the country.

Channels:

Green Channel – Nothing to Declare

Red Channel – Goods to Declare

Passengers may need to declare:

- High-value items.
- Restricted agricultural goods.
- Currency exceeding regulatory limits.

Failure to declare restricted goods may result in penalties.

10. Boarding Procedure

Boarding begins after official gate announcement.

Steps:

- Wait for boarding group call.
- Present boarding pass at gate.
- Boarding pass is scanned electronically.
- Proceed to aircraft via jet bridge or bus transfer.

Boarding Priority Categories:

- Business and First Class passengers.
- Passengers requiring assistance.
- Families with children.
- General boarding groups.

Gate staff ensure orderly passenger flow.

11. Arrival and Baggage Claim

Upon landing:

- Follow airport signage to immigration (if international).
- Proceed to baggage claim carousel.
- Collect checked baggage.
- Complete customs clearance if required.

Lost or Delayed Baggage:

- Report immediately at airline baggage service desk.
 - Provide baggage tag details.
 - Submit contact information for tracking.
-

12. Passenger Services and Facilities

Delhi Airport provides:

- Information desks (located near terminal entrances and departure halls).
- Airline service counters.
- Lounges and waiting areas.
- Medical assistance services.
- Food and beverage outlets.
- Retail shopping areas.
- Special assistance for elderly and disabled passengers.

Passengers may request wheelchair or special assistance services through the airline prior to arrival.

13. Safety and Regulatory Framework

Airport ground operations are governed by:

- Directorate General of Civil Aviation (DGCA), India

- Bureau of Civil Aviation Security (BCAS)
- International Civil Aviation Organization (ICAO)
- International Air Transport Association (IATA)

These authorities define:

- Aviation safety standards
 - Passenger screening procedures
 - Security compliance regulations
 - Operational best practices
-

14. General Passenger Guidelines

Passengers are advised to:

- Arrive early before departure.
 - Carry valid identification at all times.
 - Follow airport signage and announcements.
 - Avoid carrying prohibited items.
 - Cooperate with airport security personnel.
 - Monitor boarding gate information displays.
-
